TOKHEIM OIL TANK AND PUMP COMPANY DESIGNERS AND BUILDERS OF SUPERIOR EQUIPMENT SINCE 1901 FORT WAYNE, INDIANA, U.S.A. OKHEIM February 21, 1939 C.M. The petition is signed by persons as follows: Employees of Tokheim Oil Tank and Pump Company. Signed by persons who reside in the neighborhood of Grant Street and the property affected by the petition. By checking names on remonstrance filed, you will be informed that many of the persons signing this petition favorable to the vacation are the same persons who had previously signed the remonstrance against the vacation. This situation is brought about by the explanation of the true facts of the petition to the persons who had been influenced to sign the remonstrance. After the persons signing the remonstrance were told the true facts, they desired to express themselves in this petition for the vacation. 3. Many persons residing in different parts of the city, but who are interested in the well being of Tokheim Oil Tank and Pump Company and its employees, and also some who are dependent upon Tokheim Oil Tank and Pump Company by reason of supplying material, etc., to Tokheim Oil Tank and Pump Company have signed the petition. The employees of the Tokheim Oil Tank and Pump Company are the largest number signing this petition. MY COMM. EXP.

FILED: March 16, 1939, 7:30 P.M:

TO THE HONORABLE BOARD OF PUBLIC WORKS, CITY OF FORT WAYNE, INDIANA:

We, the employees of the Tokheim Oil Tank & Pump Co., together with other directly interested parties in the City of Fort Wayne, Ind., do hereby appeal to the Board of Public Works of the City of Fort Wayne, Ind., for favorable consideration of a petition presented to the Board of Public Works seeking the vacation of a five-and a-half-foot wide strip of ground between the curb and the Tokheim property on the east side of Grant Street, from Wayne Trace to the Wabash Railroad tracks, now used as a sidewalk, this particular ground being used entirely for a sidewalk fronting only on the Tokheim Oil Tank & Pump Co.'s property. As Grant Street is a "dead-end" street starting at Wayne Trace and ending at the Wabash Railroad tracks, and as the sidewalk referred to fronts entirely and only on the Tokheim property, this sidewalk serves no useful purpose.

The object of the vacating of this sidewalk space is for the purpose of extending the floor space of the Tokheim Plant to provide for the storing of material accumulated during the low seasonal period. Recognizing that the greatest problem confronting Fort Wayne and the country is that of unemployment, and recognizing that the policy of the Tokheim Oil Tank & Pump Co. is to plan its operations so as to create continuous and secure employment, we believe that it is to the greatest advantage of the largest number of people that this petition be granted. We feel that the large number of people benefitted by this petition in relation to the selfish interests of a single property owner should be favorably considered.

We therefore hereby request a favorable consideration of the petition referred to.

PETITION FOR VACATION OF SIDEWALK ON EAST SIDE OF GRANT STREET FROM WAYNE TRACE TO WABASH RAILROAD TRACKS.

EMPLOYEES --

TOKHEIM OIL TANK AND PUMP COMPANY
FORT WAYNE, INDIANA.

TO THE HONORABLE BOARD OF PUBLIC WORKS CITY OF FORT WAYNE, INDIANA:

We, the undersigned being citizens of the City of Fort Wayne, Indiana due hereby appeal to the Board of Public Works of the City of Fort Wayne, Indiana for favorable consideration of a petition presented to the Board of Public Works seeking the vacation of a five-and-a-half-foot wide strip of ground between the curb and the Tokheim property on the east side of Grant Street from Wayne Trace to Wabash Railroad tracks now used as a sidewalk. This particular ground being used entirely for a sidewalk fronting only on the property of the Tokheim Oil Tank and Pump Company. As Grant Street is a "dead end" street, starting at Wayne Trace and ending at the Wabash Railroad tracks and as the sidewalk fronts entirely and only on Tokheim property, this sidewalk serves no useful public purpose.

Favorable consideration of this petition is sought because we feel that this strip of ground is not necessary to the proper use of Grant Avenue and because it serves no definite public purpose. We further feel that the Tokheim Oil Tank and Pump Company can use this property for the employment of more employees and the steady and continuous employment of those already employed.

We, therefore, hereby request a favorable consideration of this petition.
